A screenshot of a Kahoot! quiz interface. On the left, there is a small thumbnail image of a snowflake flower with the text '6 Questions' below it. The main title of the quiz is 'Das Schneeglöckchen'. Below the title, the creator's name 'Lenaopatril' is displayed with a profile icon. To the right of the name, it says 'Created 9 minutes ago • 0 plays'. At the bottom right, there are two buttons: a blue 'Edit' button and a green 'Play' button. There are also icons for a star and a menu (three dots) in the top right corner.
